

I am Back Behind the Chair!

What coming back will look like.

Van Meter Location Only

409 Wilson St. in Van Meter

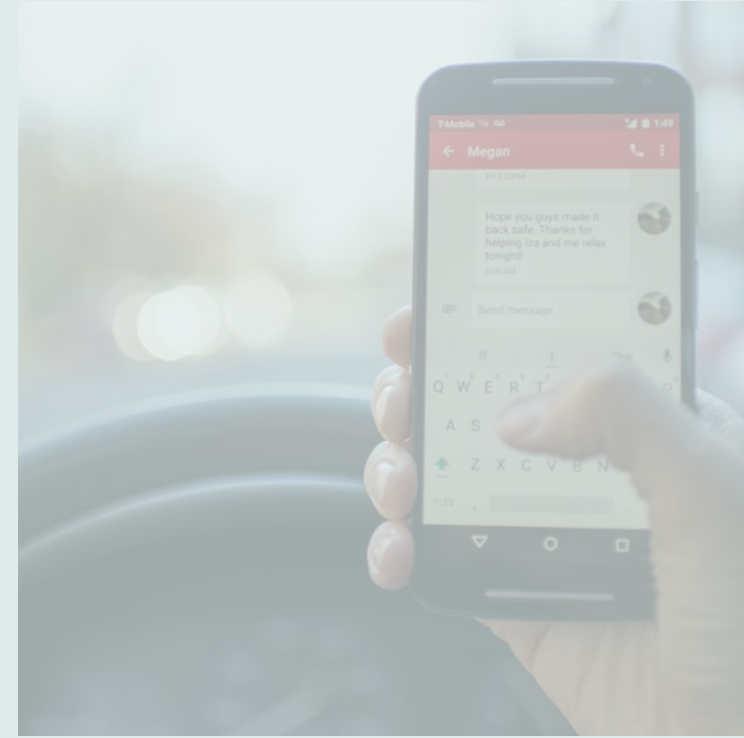

I feel super fortunate to have this second location. I will only be seeing clients at the Van Meter location so that we can stay under the Iowa Mandate of 10 people or fewer in the salons. I will be abiding by the 6 feet distancing of chairs and adhering to Iowa cosmetology state laws.

Don't Get a Citation.

Please park along the street. Following the alley, use the back East side entrance.

When you arrive at the salon, please wait for me to text you in order to greet you. Only the person scheduled for an appointment over the age of 18 should enter the salon.

Online Appointment Requests

ronajacobs.mysalononline.com

*I will be reaching out, but feel free to contact me as well.
For your convenience please use the online scheduling service.*

Come and Get It!

Need products or to schedule an appointment?

Products and gift cards will be available for purchase at your scheduled appointment time or can be scheduled for pickup.

Please do not come to the salon unless you have an appointment.

Unfortunately, I will not be able to accommodate walk-ins.

How Are You Feeling?

- If you have a temperature
- If you have a cough or are sneezy
- If you or someone you live with has been exposed to someone who has had Covid-19

Please use best judgement and reschedule. I will be asking these questions and may ask you to do so.

Practice Social Distancing.

That's challenging when you're a stylist.

I will have a mask or face shield on through the whole appointment. I ask that you also wear a mask through the entire appointment as well.

Please have your own mask that fits around your ears. I can supply one for a fee if you need one.

This will be strictly enforced.

Appointments and Virtual Consults

I will NEED to know before your appointment if you have had a change in cut or color from our last visit. This will all me to schedule enough time for your upcoming appointment.

You know I have seen it all! This is going to help me with scheduling.

Request a virtual consultation beforehand by visiting <http://consult.saloniris.com/salon-tec>
